## **Ratings Definitions:**

- Outstanding Continuously exceeds expectations for the position.
- Commendable Accomplishments exceed expected level or essential requirements.
- Satisfactory Performance meets standards of job requirements.
- **Needs Improvements** Performance does not meet all essential requirements of the job; work requires frequent guidance and checking. Improvement is expected as identified in goals and objectives.
- **Unsatisfactory** Performance is substandard, requires a high degree of supervision and direction. Deficiencies are clearly evident and specific, remedial action is required as identified in goals and objectives.
